Welcome to the 1998-99 Action Sports Arenacross Series. This is the fifteenth year for this series and I hope it continues to grow for many years to come.

Please support our sponsors. They are:

Dunlop Tire Co., Scott USA, Wiseco Pistons, Pro-Action Suspension, FMF, Cycra Racing Systems, and Comet Gaskets.

We ask that you support these companies when you visit your local cycle dealer, and ask for their products by name.

Best of luck to all of the Arenacross riders in this year's series. Remember when watching tonight's show that multi-time national Supercross and 250 Motocross Champion Jeff Stanton, and former 500 National Champion Mike Larocco both rode this series on their way to stardom. So keep your eyes open, there's a future superstar in our midst, and we might not even know it!!

Last but not least I would like to thank the spectators who come to cheer on the riders year after year. Thanks for your support!!!

Please sit back, relax, and enjoy the show. Remember - this is a family event; your must be 21 to drink; Please Don't Drink and Drive! and please respect the people sitting next to you.
