

# Reed Has The Speed

By Rupert X. Pellett

Marion Indoor Championship Series  
American Motosports Inc.  
Marion, Ohio January 15 - 16

Blanchester Ohio's Chuck Reed comes on strong every year at Marion - the Suzuki mounted racer just seems to have what it takes to win at these tight indoor tracks - over the weekend Reed would take the money in three out of four Pro classes, and place second in the fourth. Promoter Tab Thompson laid out an exciting course inside the small confines of the Marion Coliseum, and upwards of 400 racers from the Buckeye State, Pennsylvania, Illinois, Indiana and even Canada made the trek down to the Marion County Fairgrounds for some serious indoor motocross. While it was snowy and brisk outside, the moto-wars were being waged with a ferocity inside the concrete palace from noon till night. During Saturdays Pro class racing it was Northern-Ohio's Vince Karnow offering up the competition to Southern Ohio based Reed, as Karnow fought every lap matching his Suzuki's moves for Reed's yellow machine at every corner. While Reed had the speed on the 125's, it was Karnow's victory on the 250's - this was to be the only moto that Reed would lose on the weekend however. Sunday's 125 and 250 Pro classes would see a rematch of the previous days Karnow-Reed battles, with Karnow taking second

behind Reed in both. John and Jake Davis of Milan, Ohio would power their Hondas to 4-3 finishes in the 250 pro class, respectively. Westerville's Jumpin' Joey DeFelice took the third spot in the 125 Pro class - holding off Tommy "Too-Cool" Collier in fourth. Zach Ames continued his winning ways in the 65cc and Mini Junior classes, he captured first-place trophies in 3 out of 4 moto's over the weekend. Ty "Danger Boy" Bowers took the other win from "Zach-Attack" in Sundays Mini Junior class.
